

Kayagum

The Kayagum is a traditional Korean instrument. It is made from a single piece of wood. The Kayagum is a long, curved log with strings. It is played by plucking the strings. The Kayagum is a traditional Korean instrument. It is made from a single piece of wood. The Kayagum is a long, curved log with strings. It is played by plucking the strings.

This work was made by Korean artist **Seung-Hwan Kim** during an artist-in-residence in the national park of **Seonam National Park**. The Kayagum is made from the woods, the tree in a forest's heart on the mountains, a Korean stringed instrument with a 1,000-year history.

The concept of the instrument is simplified and traditional. The Kayagum is made from the woods, the tree in a forest's heart on the mountains, a Korean stringed instrument with a 1,000-year history.

Free to play and enjoy this instrument. Please treat it with due care and do not damage it.
