Dear Friends

We are pleased to enclose details of our Winter programme which is presented rather differently than before. This is because the exhibition ***The Animal Gaze*** is shown at a number of venues, at different times and with different openings!

Our exhibition *Haldon's Hidden Heritage* continues until Sunday 18 January.

After this, *The Animal Gaze* will be on at CCANW from **24 January to 5 April**. During this exhibition we will be open from **Wednesday to Sunday 10am-4pm**.

Our own launch is on **Sunday 25 January, 2-4pm** – so please do join us. All other activities are in the enclosed exhibition guide.

We would like to take this opportunity to thank all our artists, visitors, participants, funders and volunteers for their support during 2008.

We look forward to seeing you,

Clive, Chris and Johanna

P.S The Forestry Commission's contractors have already begun work on converting the building next door into a much needed café, scheduled to open at Easter.
