# Young People's Artwork Inspired By Trees

**Saturday 4 - Sunday 26 February**

**Launch event: Saturday 5 February, 2-4pm**

For our second annual exhibition for schools and young people, we have received an exciting range of work from across Devon. Several submissions were based on workshop visits to CCANW and Haldon Forest Park.

The work celebrates trees and voices concerns that they are not valued enough for their life-giving forces.

Participating schools and venues:

Atkinson Secure Children's Home, Exeter  
Blundell's School, Tiverton  
Ellen Tinkham School, Exeter  
Freefall Youth Arts Group, Exeter Phoenix Arts Centre
